

Bambi,

2007

Thank you very much for your care for my Dad. I am grateful that you not only have the knowledge and experience to understand his needs, but the heart of compassion to really care for him & his quality of life.

Thank you too for our wonderful bulbs & planter... I can't wait to

have them sprout up!
may God richly bless
you & your family in 2008,
as you continue to
minister in His name!

May His Love
shine forever
in your life.

With Gratitude,
Jay & Cindy

Each one of you has been so nice
It makes it very hard
To put so much real gratitude
Into a single card.
But if each one of you will read
Between the lines, you'll know
This brings a "thank-you" more sincere
Than words could ever show.

Thank you all for your wonderful
care for Don. You helped make
his last years so much happier
and healthier than he would have
had anywhere else. We appreciate
the Birthday parties, trips to the park
and to all of his appointments.

God Bless you richly as you
continue in this important work of
service and love,

Jay & Sandy Gray
Lyle Shepherd

Many Thanks!

Dear Sunny Hills Friends,

Thank you for remembering Dad with the lovely bouquet you sent to honor him when he passed away this month. He was blessed to have such caring friends, and enjoyed his last few precious months living among you.

Your bouquet was a loving remembrance. The family appreciates it so very much.

Dear Bambi,

Thank you so very much for all the kind things you do for Emily and me! You are such a kind, thoughtful person. It was so nice of you to send the holiday goodies. I certainly enjoyed all of the special treats. I truly appreciate all the pictures you send of Emily. It is so hard being so far away and you make me feel a little closer.

I want to thank you for all the things you do to make life a little brighter and happier for everyone!

Happy, healthy 2010!

Thanks for all the things you do—
Thanks very much for being you.

You're Special

With warm regards

Dear Bambi, Shirley, Jan and Ding,

Thank you so much for those wonderful photos of my mom. They are the most constant and final pictures I have of her. I'm very grateful for both her sake and my own peace of mind that she was able to spend her last days in such a warm caring environment.

The pictures are priceless memories.

Peace,

Nancy Bliss Estes (daughter of Marie Bliss)

Dear Bambi, Shirley, Susan and Dean,
It was so wonderful to meet all of you. Emily is so fortunate to be staying with such a caring group of people. It is very difficult to manage someone's care from such a distance but you have been such a blessing to both of us. I could never have found a better placement for her. I hope the next time I come out that I will get to know each of you better. You are definitely earth angels and I am very grateful for all of you!
